## Contact us today

We have taken this experience and dedication of delivering a quality service to the patient - to provide a comprehensive and quality range of first aid and pre-hospital training courses to industry and public sector.

The above courses are designed to help you develop your business and create a safe and healthy working environment.

**Training can be delivered at our venues or at your venue anywhere within the UK, please get in touch to discuss your preferred dates.**

**Please note from 1st October 2009 The Health and Safety Executive are introducing changes to their guidelines for workplace first aid training. The 4 day course becomes 3 days in duration and a new HSE certificated course will be available, this will be the 1 day Emergency First Aid at Work course.**
